Sanjanna and stay there for 3 months, the add.l cost involved viz Rs 60 being sanct.d.

2 As regards item no 1 above, it is submitted that the Committee have allowed the teacher to utilise the leave from the 20th May 1924 which they ought not to have done without the sanction of Govt or the Mamlatdar. The Mamlatdar has kept no Satisfactory teaching since that date, the other teacher - the Zarka instructor working only for 1½ hours in the morning from 7-15 to 8-45.

3 The notes recorded in the Muz File 448 of 22 noted for reference show that the rules of Govt in appointing Zenana Teachers as tutors to the Mamlatdar was that the teacher should spend the whole day with the Mamlatdar, both as teacher & guardian & not merely as an ordinary teacher in a School. But as a matter of fact

It has been ascertained that he was attending to the Swami only from 8.45 to 10.45 A.m and 3 p.m to 5.30 p.m, leaving the young Swami to himself during the rest of the day to get on with his studies as best he could. Now the Swami has been deprived of even this scanty tuition since 20.5.24

In these circumstances, the recommendation of the Mus. Commr to sanction 2 months' leave to him on full pay is for orders.

As regards no. 2, sending the Swami to Sringeri, it is said that the recommendation may be sanctd but it is not stated what arrangements are to be made for the Swamis stay there.

It is respectfully submitted that the arrangements now made for the stay of the Swami are far from satisfactory & that some better arrangements are necessary to train up this boy as taken

Dear Sir,

Ordinary leave regulations do apply to the Staff of this college. Pr. leave is granted only on half pay as in case of other Govt. Servants, & C. leave is granted only for 10 days per year. I hope this information will be enough for the purpose.

The teachers & pandits of the Sanskrit College are treated like the staff of the Educational Instns for purposes of leave &c. i.e. they are granted half pay during Privilege leave. Thippa Sastry is therefore entitled to half pay during his privilege leave. Now in this conn. it is submitted that Thippa Sastry has served only for 4 months. So in the Sri Ranga matt and any privilege leave allowed that may be stated to him are not a legitimate charge on the Ranga matt funds. If he has any privilege leave to his credit which ~~he should~~ has to be ascertained from the Principal of the Sanskrit College, the privilege leave allowed will have to be borne from the Edn. Sir,

I have the honor to submit herewith copy of letter dated 22nd May 1924 from the convenor of the Committee appointed to help the --- Muzrai Commissioner in the education and training of the minor ----- Swamigalu of the Sri Sivaganga Matha giving cover to a copy of the -- proceedings of a meeting held on 10th May 1924 and to state as follows:-

(1) 2. The committee solicit approval to the action taken by them in having granted two months' leave on full pay to Pandit Thippa Sastry to prepare himself for the Adwaita Vedanta Vidwat Examination this year.

(2) The committee would have done better if they had communicated with me previous to the grant of leave to the Pandit, as the grant of such --- permission did not come within the purview of the powers vested in them.

(3) As the best possible arrangement in the circumstances of the case ---- admitted, has been made, I request formal sanction of Government to the --- committees recommendation.

(4) 3. The committee have also resolved that the Swamigalu may be sent to Sivaganga for a month both as a change and to afford him an opportunity to offer worship in the Sri Sarada and other temples at the place. The Swamigalu who came to Bangalore more than 5 years back has not once --- visited Sivaganga and the proposal made by the Committee is a good one.

The agent of the matha who was asked to submit an estimate of the cost involved in the deputation reports that a month's stay will not be of any benefit to the Swamigalu but will result in unnecessary expendi-

expenditure as the period proposed by the committee is too short agent is of opinion that at least 3 months stay is necessary if to be of any benefit. He estimates that the cost of deputation will come to about Rs.170-0-0 exclusive of the additional grant of Rs.30/- a month required for daily santarpane during Swamy's stay at Sivaganga. Granting that the Swamy's stay will be for three months the total cost will be Rs.260-0-0 which may be considered as reasonable. The agent also requests that the services of two constables may also be secured for keeping watch over the Matha building at Bangalore where all extra things will be left without their removal to Sivaganga. This and -- other details will be worked up and necessary instructions issued on receipt of Government orders sanctioning the deputation.

4. I am of opinion that the tour proposed by the Committee is ---- suitable and that it may if absolutely necessary be extended to three - months as the additional cost involved viz., Rs.60/- is very inappreciable the other details being the same and beg accordingly to recommend that the committee's proposal may be sanctioned the money required being ---- advanced to the agent subject to being accounted for by him.

5. The favour of early orders is requested.
